Subject: REVISED BASE SALARY SCALE FOR STAFF IN THE PROFESSIONAL AND HIGHER CATEGORIES AND FOR STAFF IN THE FIELD SERVICE CATEGORY*

1. In section I.C of resolution 51/216 of 18 December 1996, the General Assembly approved, with effect from 1 January 1997, a revised base salary scale for staff in the Professional and higher categories. This scale reflects the consolidation, on a no-gain no-loss basis, of 5.26 multiplier points into net base salaries in effect under the previous base salary scale, which became effective 1 March 1995, and an additional increase of 0.4 per cent. In the same resolution, the Assembly approved consequential changes in the rates of staff assessment used in conjunction with gross base salaries for staff with a dependent spouse or dependent child and staff with neither a dependent spouse nor a dependent child.

2. In accordance with the practice followed on the occasion of previous consolidations of multiplier points into net base salaries, upon implementation of the revised base salary scale, revised post adjustment indices and multipliers will be established by the International Civil Service Commission (ICSC) for all duty stations. Changes in post adjustment multipliers due after 1 January 1997 will be effected on the basis of the movement of the newly consolidated post adjustment indices.

3. As a result of the implementation of the revised base salary scale, effective 1 January 1997, there will be consequential changes in the amounts of the mobility and hardship allowance applicable to staff who are currently in receipt of the allowance.

4. In its sixteenth (1990) annual report to the General Assembly,[1] ICSC recommended, and the Secretary-General subsequently approved, that future adjustments of the salary scale applicable to staff in the Field Service category should be made by reference to adjustments to the salary scale for staff in the Professional and higher categories. Accordingly, the base salary scale for staff in the Field Service category has also been revised, effective 1 January 1997, to reflect (a) the consolidation of 5.26 multiplier points into net base salaries and an additional increase of 0.4 per cent; and (b) the revised rates of staff assessment used in conjunction with gross base salaries for staff with a dependent spouse or dependent child and staff with neither a dependent spouse nor a dependent child.

5. The revised base salary scale for staff in the Professional and higher categories and staff in the Field Service category, effective 1 January 1997, showing gross salaries and their net equivalents after the application of staff assessment, are reproduced in annexes I and II to the present circular, respectively. The implementation of these scales will be reflected in the payroll at the end of January 1997.
